

# STEM CHALLENGE

Science | Technology | Engineering | Math

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## Today's Challenge: **Pop-Up Greeting**

*You must design a POP-UP greeting card that can be sent on a chosen special occasion.*

*Using only paper (no help from metal springs or rubber bands), your card must be engineered to “pop-up” as soon as it is opened. You should also design the card to fit a special occasion, and even add a rhyming greeting.*

*For this challenge, you can only use the following materials:*

- card stock or other heavy-weight paper
- colorful construction paper
- white glue/glue stick/paste
- scissors
- crayons/markers/pens  
(to decorate and write in the card)

**OUTCOME:**

What were the results of this challenge?

---

---

---

---

**EVALUATE:**

On a scale of 1 to 10, how well did you accomplish this challenge? Why would you give yourself this grade?

Your Grade

---

---

What would do differently next time?

---

---

**REFLECT:**

How might the skills to complete this challenge carry over into real-world applications?

---
